# FIA SUMMER CAMPS 2022

## **JUMP INTO SUMMER with JP'S**

**June 20<sup>th</sup> - June 24<sup>th</sup>**

Get the kids geared up for a week of fun and excitement! During this camp they will enjoy 2 hours of jumping at JP's Jump Masters (walked over and watched by our awesome staff!) They will come back to FIA for lunch and then have some fun, summertime activities and games that will include water so please pack clothes, towel and sunscreen! One pair of jump socks will be included but must be brought back to camp each day or left at school.

## **World of Art Camp**

**June 27<sup>th</sup> – July 1<sup>st</sup>** - Come and get creative as we dive into the amazing and fun world of ART! Projects will be done throughout the week for their portfolio, bringing home unique and fun projects to share. Do not forget to send in an old shirt as they will be working with spray paints, watercolors, pottery and more!

## **Summer Fun Camp-**

**July 5<sup>th</sup> – July 8<sup>th</sup> (no camp Monday the 4<sup>th</sup>)**

This camp is designed to be affordable fun for our campers to enjoy just being a kid! Water games, sidewalk chalk, field day games, movies and loads of summer fun!

## **Summer Fun Camp II-**

**July 11<sup>th</sup> - July 15<sup>th</sup>**

In an effort to help families financially afford camp this summer, we are offering another week of traditional summer camp fun for our campers to enjoy just being a kid! Water games, sidewalk chalk, field day games, movies and loads of summer fun.

## **CSI For Kids!**

**July 18<sup>th</sup> - July 22<sup>nd</sup>**

This fun, interactive, project-oriented course is designed to engage students in a truly fascinating area of science. Campers will have forensic activities each day that teach a new but related aspect of scientific reasoning and a particular scientific process. From Fingerprinting to “decoding”, the campers will have a new crime to solve each day~

# FIA SUMMER CAMPS 2022

## **Animal Science Camp-**

**July 25<sup>th</sup> – July 29<sup>th</sup>** – Let's get real with animal science! Campers will learn about different animals from the inside out! Each day there will be a hands-on paper model dissection of different animals. They will learn about the structure and functions of the internal and external anatomy of different animals from land and sea.

## **BRICKS 4 KIDZ**

**August 1<sup>st</sup> -August 5<sup>th</sup>**

They are back for their annual visit to FIA! Come and build with Bricks 4 Kidz using STEM themes and projects that will include mechanics and moving parts! Themes will be split into grade levels:

**Grades K-2- Web-Slingers and Avengers Unite** – (Theme: Inspired by Marvel Superheroes)

This camp is brand new for 2022!!! Got kids who are into spiders -- the superhero kind? Or maybe kids that need to "avenge" their LEGO building space in the living room from time-to-time? Then they're going to love this superhero-themed camp with all kinds of cool LEGO building projects from your friends at Bricks 4 Kidz!

**Grades 3<sup>rd</sup>-6<sup>th</sup>- Introduction to Coding with LEGO Building and Scratch 3** –

Most kids love to play video games, watch animations, and build with LEGO Bricks. But what if you could combine all that with learning how to control the action yourself, by learning how to code your own games, animations, and control LEGO Models with a tablet or computer! This camp is designed for kids with little to no coding experience, especially if they are LEGO lovers looking to expand their horizons and learn the language of tomorrow: programming. We use Scratch 3 -- an amazing code environment developed at MIT especially for kids. Scratch 3 curriculum is used at many levels educationally, from Elementary school on up to high school, and it's a great way to expand your child's playtime into a foundation for career potential! Kids will spend time on computers and tablets, but no, we don't expect them to sit in front of a device for 3 hours! We swap activities about every 20 minutes so that kids are getting up, stretching, and doing creative building activities, mixed in with learning how to code. (There will be a \$10 upcharge for this camp).

## **Kids In Sports-**

**August 8<sup>th</sup>-August 12<sup>th</sup>**

Creative Fitness camp -The camp will focus on healthy warm-up, stretching and exercises techniques to keep them happy, confident and fit. This camp will also provide an array of individual and group activities like PE Trivia, as well as drills and fun activities while playing soccer, racket games, batters games, track and field, scavenger hunts, races and an obstacle course. We will also play catching and throwing games, hoop exercises and sports related art projects. Free play will also be a part of the camp.

**\*\*Tuition is due with registration to hold the slot. You may postdate checks or leave a credit card on file; however, each camp must be paid for before they attend. Camps are non-refundable or transferrable once you register. Pack a nut free lunch and a water bottle to enjoy 😊**
