FIA SUMMER CAMPS 2024

9am –2pm with weekly themes

INNOVATION

Gear up for sports and invention as you investigate the science of sports ball design, then personalize your own light-up game board. Get your creativity rolling to achieve your goal of being inducted into the Game of Fame!

PERSISTENCE

Shine bright as you use the science of light to create a customized Glow Box! Find inspiration from illuminating inventions and animals that glow to reveal a mystery behind a creature with a glowing feature.

PROBLEM SOLVING

Embark on an epic global operation to solve real-world water challenges! With help from your own robotic Lab-On-Wheels, explore water-based technology, then unlock sustainable design thinking by engineering a tiny house with crops.

CREATIVITY

Step into the Prototyping Studio to bring your big ideas to life! Mold and transform unique inventions as you uncover the many places world-changing inventors create, then protect your prototypes with the power of intellectual property.

We will send you the link to sign up through the company website. If you need before and aftercare that week, you will sign up on their website for care too! (do not add this camp to your registration amount).
