Laurel Wachtler, violinist, graduated with honors from New Mexico State University and has played with numerous groups, including the Phillips Symphony in Oklahoma and the Chamber Orchestra of Southern Maryland as principal second violin, before moving to Fayetteville. She has been a member of the Fayetteville Symphony Orchestra for more than 20 years. She also plays with the Vilasi Quartet and the Dogwood Trio. She is a violin instructor at the Snyder Music Academy and has a private violin studio. She is the violinist and a soprano for the Coventry Carolers, and is a pilot for Skies Unlimited Aviation.

Violins will be included in the monthly tuition. Students are responsible for the well keeping of the instrument during your school year to include paying for damages if they occur. You may choose to purchase your own, but please ensure that it has a name tag. Students will need to buy the music books needed for the class. We'll begin with Suzuki Violin school, violin part, volume 1. A tuner is nice to have but can be downloaded as an app on smart phones. Students are expected to practice at home, 15 minutes, 5 times a week to ensure progress. I am looking forward to a fun and successful musical year!
